Curriculum

Summer 2025

If you have a concern or complaint about the curriculum in school, you should contact the school and talk it over first with the class teacher, subject leader or headteacher. It is normally possible to find a solution in this way without going through any formal arrangements.

We will investigate all complaints relating to the school's fulfilment of The Education Reform Act 1988 section 70. Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

Should the complaint remain unresolved the Executive Leader for Curriculum will be informed and a record kept.

There is no right of Appeal
